TITHING is not an issue of money, it is an issue of TRUST. Trust is the single most important factor in a relationship. God knows that the most difficult area in our life is to turn over our finances to Him. He tells us in Malachi 3:10 *"Bring the whole tithe into the storehouse, so that there may be food in My house, and test me now in this, if I will not open up for you the windows of heaven and pour out for you a blessing until it overflows."* God said it - Do I trust Him to fulfill His promises and do what His word says? Can God trust me to obey Him?
