

SEEK THY FACE

Calling out for the grace of my Savior; Crying out for His mercy and His love
Calling out Abba Father; Send me peace on the wings of a dove

Calling out for the comfort of your Spirit; Reaching out for a love I know is true
Kneeling at the cross with my burdens; Casting all my cares upon You

(CHORUS)

Teach me Lord to seek Thy face in the morning; Stay in constant prayer all day long
Saved by the blood that You shed, Lord; Singing praises to You in my songs

When the devil tries me with temptations; When I feel that there's no hope at all
Help me keep my eyes on the cross, Lord; To be a Christian soldier and stand tall

Be with me throughout this earthly life, Lord; Help me keep my eyes upon Your throne
Help me share Your love with another; I'll be waiting for You to call me home
