

Papa's House International Newsletter

December 2014

Dear Friends and Partners,

On Dec. 24th, 1970, at 11:30pm, I began the journey to the foot of the cross, to Calvary. I was born again in the living room of a Pentecostal preacher's home at 12:05 am, Dec. 25th, I was twenty years old. There is only one regret that I have in serving God; I wish I would have given my heart to him 19 years earlier.

I am not ashamed of the gospel of Christ nor of Jesus, the boy that I once was died in the fire of His great love. I am what I am and that only by the grace of God. I have known the poverty of this world and also its riches and all its seeming excellences but the riches of Christ far outweigh all the glory of the world. I would rather have

Jesus than silver or gold. I would rather have Jesus than riches untold. In just a few days I will begin my 45th year of serving Christ. I can tell you with tears of joy coming down my face that I look forward to walking with Him through the countries of this world proclaiming the unsearchable riches of His grace. Thank you Jesus my savior and King for loving me. I owe everything to you and you alone.

*A wounded world is awaiting our anointed entry
into its darkness. WE ... are needed now.*

Papa's House theme for 2014 is found in Exodus 15:11: *Who is like unto Thee, O Lord, among the gods? Who is like thee, glorious in holiness, fearful in praises, doing wonders?* There is none as great as our God. There is none who does marvelously among his people as our God. In Him we live and move and have our being.

My heart is filled with great and overflowing gratitude as I think on all the things that our Great Father and God has done through Papa's House in 2014. Where do I begin to share the exploits, the powerful testimonies of our God? How does one take pen in hand and write of His great exploits? My mind is filled with faces and events, my ears still hear the cries of prayers and of praises from Gods people. The cry from the lips of the lost, accepting Jesus for the first time, their faces wet with tears of repentance. The cry of those who went on their first missions trip, your tears fell upon the altar in the Philippines. What of those who received miracles of healing, curved spine becoming straight, blind eye seeing clearly, their voices ringing with "Thank you Jesus" "Thank You God, oh thank You God".

What of the family in Wales, the horsemen in Nepal, the pastors in the Philippines who received fresh fire from the Lord. What of those in UAE who cried out to God and God heard and answered them. What of those in Mindanao, husbands and wives who were made stronger by the word of the Lord and what of the tears shed upon Prayer Mountain. Those tears fell on Holy Ground and mingled with the prayers and tears of others who cried out to God for revival fire to fall upon the Philippines. What of those in Korea, whose faces are still fresh with tears after receiving the Baptism of the Holy Ghost?

...

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We

are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

In just a few days 2014 will be history, days of which we will speak of remembering the joys, sorrows, laughter, hardships, but always remembering the greatness of our God. I cannot rightly close this year without saying thank you Father for the great men and women whom you have given to Papa's House, whom you sent to us, so Papa's House could finish strong. Thank you to all the team members who left their homes, jobs and families to travel overseas to win the lost for the Lord. Wales, Philippines, UAE, Nepal, Philippines, Korea; God sent unto you men and women bearing precious seed; coming over the mountains declaring the year of our Lord, dispensing his great Love, declaring from on high the glory of the Lord. Thank you and the Lord for all those who sent us, who prayed for us, who supported us with their gifts.

We have finished strong; our year is closing, but not the promises of God, not the command to go. The vision is ever clear, the desire ever stronger, the challenges seem so impossible to attain, yet I am reminded once again. "Go and I will go with you".

When my sons were little there was a saying that we spoke every time before we went out to preach:

"Me Boyous. Ya Da. Let's go preach the glory!"
