

Papa's House International Newsletter

April 2014

Dear Friends and Partners,

What a great time we are living in, a great time to be about the masters business. I am reminded constantly that this generation will see and experience the greatest outpouring of God's grace. Just a few days ago we saw and experienced the first of 4 "Blood Moons"; goose bumps came up on my arms, as I remembered the "Blood Moon" of 1967. In that very moment, I felt and heard the Lord, speaking to me reminding me of my calling of the burden to go into the entire world to preach the message of the "Kingdom", the gospel.

Today at the writing of this newsletter, Papas House is on its first "Missions Trip", for this year, to Ireland and Wales. I thought that I was through traveling and ministering in the UK, but God has his plans and we must obey. Pray for us as Papas House ministry team embarks on a very powerful time of ministries in these two countries. The people and churches are very excited about our coming. Please pray for the ministry team that we may fulfill the will of God.

My Testimony of the 2014 SPA Winter Camp

Winter Camp this year was such an awesome time of spiritual reflection and envisioning. Mama Paige shared on the first night the need to keep loving God and prioritizing Him. I actually didn't get to hear the message but when I had the chance to talk with some of the kitchen crew the

following day, I could sense they're seriousness and at the same time their excitement of taking their relationship with God to deeper waters. Saturday morning began with the usual hearty breakfast but there was also precious fellowshiping as each were sharing their life experiences and testifying of God's grace and mercy. We had service afterwards that was visited by the Holy Spirit in great power. As we praised and worshiped God and the Lord Jesus, the little improvised sanctuary started to flood with His Holy Presence. Mama Paige was obedient and once again ministered the Word in great anointing. Her message reminded me of the importance of going to God first and spending quality time with Him. Serving others is important but serving God first is vital. It didn't stop there because the rest of Papa's House International team right after began to serve SPA in the gifts of the Spirit. One after another, brothers and sisters were being comforted, encouraged and edified as the gifts of word of knowledge, wisdom, prophecy and healing were exercised. Heavenly Father knew the specific needs of each child of His and He was there to love and care for each one through the ministry of Papa Pete, Papa Arnold and Mama Paige. Many were touched and delivered during that divine service. Lunch came and in the afternoon we then broke up into two groups. The adults and the youth. In our group we learned about the need to be a loving church. Ministry without establishing relationships in the church especially with newcomers and visitors is just not going to be effective. We were challenged to step out of our comfort zone and take the initiative to meet people, get to know them and truly care for them. I know this isn't easy for some but with God's love and power it's possible. The evening service was no lesser. Papa Arnold

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

shared a message that was both testimonial and biblical. Hearing a good bible message is always inspiring but when it's accompanied or backed by life experiences like Papa Arnold's transparent testimony, the message takes on another dimension. It's the Word becoming flesh. Scriptural principles become relevant and faith is stirred. There's hope facing the dark valleys below. I can't forget one of his illustrations that widened our awareness of the many still spiritually lost in the city of San Diego and their need to hear the great Gospel. The lives we can impact by simply trusting and obeying God and utilizing the gifts He has blessed us with. It was a very convicting night and yet faith-building. Again, there were heaven-sent prophecies that were declared in our midst and which many of us paid closed attention to. Other spiritual gifts continued to manifest for more edification. The last day was climaxed by intense worship in God's Divine Presence, where we lingered in reverence and in great joy. We've entered into the Holy of Holies if I may be bold to say. God graciously allowed us to sense His Majesty and at the same time the intimacy of His tender mercies. Papa Pete as He sensed God's direction then moved in obedience and spontaneously flowed in the prophetic gifts and with much compassion served the body of Christ. He shared words given by the Spirit that opened people's hearts so Father God can fill them with His love. There was weeping, brokenness and contrition before God. There were recommitments and surrendering to the King of kings. Hungry and thirsty souls were being refilled and baptized in the Holy Spirit as they were laid hands on and prayed for. The Lord was relentless in pouring out His love and power and joy unspeakable was evident amongst the brothers and sisters. Other brothers and sisters aside from the Papa's House team were also being used mightily to bless many. To be honest I still lack words to fully describe all that has transpired at this year's Winter Camp. Thank you Papa's House International for coming again and blessing SPA. Much has happened on the mountaintop and now it's time to face the valley below and share the unconditional love and life of God. To the Triune God be all the glory and praise!
