IMPACT REPORT ON HOW PHI DONATIONS HAVE HELPED OUR LOCAL CHURCH AND COMMUNITIES

We are truly blessed to have PHI unwavering support and generous donations/ support that have enabled us to serve not only our local Churches but also individuals in our communities as we believe that a Church is the answer of the community. We are pleased to present this report to provide transparency on how your support has made a significant impact over the past years. Recently our Malawi nation was affected by Cyclone Freddy which has left many people homeless, crops washed away and many lives were lost during this crisis. Remember, you support us with A pass on Pig project.

PIGS PROJECT

To us this was a prophetic project because we sold some of the pigs and gave immediate relief to affected individual members of the Church and communities. We managed to purchase and distribute food, blankets, utensils, salt, shelter materials etc. to respond effectively to cyclone Freddy victims.

ELDERLY PEOPLE'S HOUSE RENOVATIONS

A substantial portion of the funds donated has been directed towards the maintenance and renovation of our local Churches and elderly people's houses. Almost 35 elderly and 13 widows benefited from that initiative.

COMMUNITY OUTREACH

As a Church, we believe in giving back to our local communities as Christ encouraged us to love one another. Your donations have enabled us to support individuals in need. Some of the ways in which have made impact include providing food, clothing and shelter to homeless individuals through our partnership.

Offering pass on farming of pigs to families in our Churches facing economic hardship, ensuring them that they can make ends meet and keep their homes and make the world a better place as they also pass on to other families.

We are also doing food irrigation, growing maize for food security.
