TOUCH THE WORLD FUND 2016 - 2017

Each year women of the Northwest Ministry Network join together to support a faith-based, non-profit organization through a giving project called Touch the World Fund (or TWF). We are please to announce our 2016-2017 project...

WOMEN'S EMPOWERMENT WITH CONVOY OF HOPE

Women's Empowerment encourages women around the world to realize their **VALUE** and reach their **POTENTIAL** through **JOB TRAINING** and **EDUCATION**. The goal of the program is to empower women in Ethiopia, Tanzania, El Salvador, Honduras, Nicaragua and the Philippines to make strategic, independent life choices through community-based training in peer-oriented cooperative savings groups and micro- enterprise development. We aim to facilitate sustainable income generation activities and entrepreneurial thinking that equips the women to make positive choices for themselves and their families in the area of health, education and economic welfare.
