#### GAUGE:

8 single crochets = 4 inches (10 cm).

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

#### SCARF

Make a slip knot and chain 13 loosely.

**Row 1** Single crochet in second chain from hook and in each chain across = 12 single crochets.

**Row 2** Chain one, turn. Single crochet in single crochet next to hook and in each single crochet across.

Repeat Row 2 for pattern until skein is used up, ending with a complete row. Fasten off and weave in ends.
