### Authentic Discussion Questions

- Which generation (by age) is your generation?
- What characteristics of your generation, or another one shared about this Sunday, were interesting to you?
- Which other generation do you think you most identify with? Why?
- Why is it important (for the church) for all living generations to reach out towards the others?
- What makes partnering (generation to generation) challenging for you personally?
- What is one way you would like to invest in a different generation?

## New Bible Reading Plan

We will start a new Bible plan for the 2019 calendar year. Our new Bible Plan can be found in YouVersion plans and is titled "The Bible in a Year". Participate in any part or all of it. It includes an Old Testament, New Testament and Poetic Book readings each day.
