Family Fun Questions

- Would you rather be covered in fur or covered in scales?
- Would you rather be able to talk to land animals, animals that fly, or animals that live in the water?
- Would you rather have all traffic lights you approach be green or never have to stand in line again?
- Would you rather be the first person to explore a planet or be the inventor of a drug that cures a deadly disease?

 ROCHESTER LIFE

Thank You From Erin Anderson:

Words cannot begin to express the overwhelming love I feel for and from Rochester Life. Thank you from the bottom of my heart for your gifts and such beautiful words. You have proven God faithful to me today. When I was too scared to trust Him he said "Watch me. Watch what I will do for you". He made a way through you. Sitting in my living room, tears welling up in my eyes reading such beautiful words of admiration and thanks, and receiving gifts I don't feel worthy of has me speechless. All I can say to you is thank you. From the bottom of my heart thank you. I will cherish these words always and read them often. This is not "goodbye" but "see you later". All my love to you.
