Jr Church will be available every other Sunday during the 2nd half of the service, beginning today, 10/17. Open to kids 4 yrs through 1st grade. Children will be dismissed during the 2 songs prior to the sermon.

Sunday School Classes

Classes for youth & adults will resume next Sunday, 10/24. Grownups, please complete a registration form for your child if you have not already done so this year. (You can place it in the offering plate or hand it to their teacher.)

Family Promise Hosting Week

Our next hosting week is Sunday, 10/24 through Saturday, 10/30. Please use the SignUp Genius Link to let us know how you will help. (Contact the church office if you need the link) We need meals each night for approximately 13 people, plus monetary donations towards groceries for breakfasts & lunches, etc.

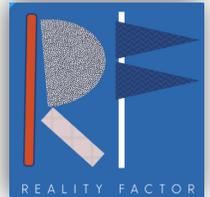

Turning Point Murder Mystery Dinner Night

Our second youth group dinner & game night is just around the corner! It will be at the church on Sunday evening, 11/7 from 5:30-7:30 (note time change). This time around, we will be doing a murder mystery. Because murder mysteries require pretty detailed planning before the fact, we will need everyone who plans to attend to RSVP for this event. Please let Naomi Reyle know if your child(ren) will be attending no later than Wednesday, 10/20.

The kids of Heritage need YOU

- We are looking for Jr Church teachers & nursery volunteers. If we don't have 2 volunteers each morning, we will not be able to offer these.
- Please contact Kristin in the church office if you are interested in more information on either one.
- Masks are required for all youth ministry volunteers during indoor activities.

(Note: even if you have volunteered in previous years, please sign up again so that we know you're still available)

Harvest USA

We are excited about our new 18-month discipleship curriculum, *Discovery*, for men who want to live in sexual faithfulness and biblical integrity. Like all our new in-house produced resources and curriculums, we've made this available, for free, to anyone who wants it. The very first month it was made available, via a download from the Harvest USA website, several hundred people downloaded it. Thank you for your crucial part in our mission here.

Will you join us in praying for...

- Shalee Lehning, one of our Women's Ministry staff. She asks for specific prayer for two of the women going through targeted discipleship. One woman is dealing with same-sex struggles, and the other with gender dysphoria. Pray for wisdom as Shalee ministers the truth and mercy of the gospel to these two women and that Jesus would help them sort through their pain and confusion.
- An introductory men's biblical support group, which began in September. Mark Sanders, Harvest USA's Director of Discipleship and the group's leader, asks that the fellowship and support offered would be rooted in the gospel and that the men would grow in Christ.
- The Lord to bring us the staff we need to fill positions in the Men's, Women's, and Parents and Family Ministries. (To learn more about these positions and to apply, please look at the following link: www.harvestusa.bamboohr.com/jobs/)
- The ministry staff as they work on revising our internship program with the aim of expanding it, including the participants' ability to raise their own support for the short-term position.
- Our continued search for a new president for the ministry.
- The many parents in our parents' biblical support groups dealing with gender-dysphoric and transgender teens and adult children. Please pray for wisdom as we minister to them.
- All of us at Harvest USA to be enabled to boldly, in compassion and love, proclaim the truths of the gospel in every way that we can to an increasingly hostile culture and church environment.
