

## [Our Vision]

1. Promote an intergenerational environment/atmosphere within the church.
2. Provide avenues for growth and learning for children and their parents/grandparents.
3. Provide opportunities for children and their families to serve others together.
4. Provide ways for children and their families to participate in the church body by using their gifts and talents.
5. Promote fun and fellowship within the church and home.
6. Provide resources and classes for parents/grandparents to disciple their children.
7. Promote God-centered and God-honoring families.
8. Provide opportunities for parents and children to nurture and grow their relationship with each other.
9. Promote the partnership of the family and the church working together to positively influence the next generation.
10. Provide opportunities for strengthening and nurturing the family.
