### ***Is it time for you to become a Member?***

Thinking about membership at FBCC? That's fantastic! Membership at FBCC is a pretty big deal. That's not because we think members are better than anyone else; it's because joining a church is a commitment. At FBCC when you are a member you are saying, "This is my church! I belong here!" The pastors want you to feel that way, we want you to know we want this to be your church and we feel so blessed when you make that commitment. We will be holding our next CLASS 101 today, 12:30 P.M. in the Library. CLASS 101 is all about what we believe, what we are doing here and what makes us different from other churches. If you are interested or would like more information, write Class 101 on the back of your yellow card.
