

Rooted in Jesus, Growing in His Love, Branching Out to Serve Others

Monday, March 16, 2020

Good afternoon Church Family,

With the most recent recommendation coming from the [CDC](#) (Centers for Disease Control and Prevention), FPC will continue to follow their current guidelines. The newest being, postponing or cancelling gatherings of 50 or more people for 8 weeks.

We know this has many implications for worship. We will be more specific by weeks end.

We will continue to post sermons weekly along with other elements on our website at [www.firstpresgj.org](http://www.firstpresgj.org).

The church building will remain closed to outside groups through next Wednesday, March 25 in order to give our Elders a chance to meet and make some decisions. Feel free to contact the church office during regular business hours if you have any questions (242-1923) or [office@firstpresgj.org](mailto:office@firstpresgj.org).

We are so thankful for the outpouring of support and encouragement that we have received. And we are very thankful for our church family!
