WEEK 10

PRAYER ACROSTIC CHALLENGE

Do you know what an acrostic poem is? A word that is written vertically guides the first letter of the words in the poem. Can you write an acrostic poem about prayer using six words that begin with P, R, A, Y, E, and R? Try it with other words to inspire other prayers like JESUS, FAITH, or LOVE.

Make a Prayer Jar

Supplies needed:

- mason jars/canning jars (1 pint or bigger)
- mod Podge
- Elmer's glue or stick glue
- paint brush (be sure you don't mind it getting glue on it)
- construction paper
- scissors
- glitter
- leaves, petals, sequins, buttons, lace, ribbon (anything you'd like to put on the jar)
- craft sticks (optional)

Instructions:

1. First, make sure your mason jar is clean and dry.
2. Time to design it! Take out everything you have to craft with and have fun with it. Nature items such as leaves, flowers, feathers are great to craft with. Sequins, buttons, sticky gems, and some glitter will work great.
3. Add a label to the jar. Use paper cardstock or construction paper and cut out a rectangle. Then write the letters P-R-A-Y in pencil and cut them out. Glue the label on the jar and coat it with mod podge. Paste the P-R-A-Y over the label so it really stands out.
4. Now your Prayer Jar is ready for you to fill it up with prayers. Write prayers on craft sticks or on pieces of paper and put them in the jar. Simply write down something you or your child could pray over. It might read "pray for someone you saw today" or "praise God for something He has done for you recently". Just think about things you can be thankful for, praises, specific prayers, family members, your community, church, scripture verses, etc.
