

# JOURNEY TOGETHER

## WEEK 11

### PRAYING PRETZEL PEOPLE

According to legend, the pretzel twist was created by a monk in the first century. Its shape is said to resemble praying arms with arms folded across the chest in an ancient prayer position.

#### Supplies:

Small pretzel twists	Butter knife
Small circular pretzels	World map or globe
Pretzel sticks	
Graham crackers	
Frosting or cream cheese	

To make the treat, first spread frosting or cream cheese onto a graham cracker. Place a circular pretzel near the top of the graham cracker for the head, the pretzel twist beneath it for the body, and two pretzel sticks beneath the twist for the legs.
