

Established in 1973, the *International Conference of Police Chaplains* (ICPC) is a 501 (C) 3 organization providing global training to law enforcement chaplains (volunteer or paid), liaison officers, and agency administrators.

Departments, regardless of size, receive the benefits and information needed to develop and/or enhance their chaplaincy program.

*Training* provides continuing education units (CEU), as well as equipping attendees to better serve law enforcement officers, families and communities.

Available to all, our quarterly publication, *The Journal*, provides current articles and other information pertinent to law enforcement chaplaincy.

Member benefits include access to educational material and a network of mutual support, as well as:

*Lending Library*—available through the Member's Only Section.

*Credentialing* - Members may substantiate their ongoing education by pursuing the following levels: Basic, Liaison, Senior, Master, Diplome, and Fellow (see our Credentialing pamphlet for compliance requirements).

ICPC provides support and assistance to law enforcement agencies in establishing or improving chaplaincy programs.
