The Divine Display

The word "Advent" means "coming" or "visit". The four Sundays before Christmas marks the advent season.

The first advent: The first coming of Jesus Christ displayed God in human form. The incarnation demonstrated God's love in John 3:16.

He came as our Redeemer (Luke 19:10).

The Second Advent: When we take time this season and reflect on the history and meaning of Christ's first coming, we will renew our understanding of the promises and hope of God's divine display in Christ's second coming. He will come to restore and make all things new (Revelation 21:1-5)

The story: (The narrative according to the Gospel of Luke chapter 1).

Elizabeth and Zechariah (Luke 1:6-25).

The Birth of Jesus Foretold (Luke 1:26-38).

Mary visits Elizabeth (Luke 1:39-45).

Mary's song (Luke 1:46-56).

Zechariah's song (Luke 1:67-80).
