### 3C E-News May 19

If you have a request please email or call the office so that we can share it with our church family on our private FB prayer page. If you would like your needs/concerns to remain private it will only be shared with the elders and staff.

*Don't fret or worry. Instead of worrying, pray. Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the center of your life. Philippians 4:6-7*
