Adullam

A safe place.

Adullam *A safe place.*

Practical Resources

By offering the community practical resources such as clothes, food, furniture and other household items, Adullam has gained a reputation of being a safe place to obtain truly needed supplies. Many practical resources have been generously given to Adullam and then quickly distributed to the community.

Community

By building friendships through special events, small teaching groups, mentoring and one-on-one relationships, our volunteers eagerly reach out with love to the community. A neighborhood concert and picnic, Thanksgiving Dinner, and life skills classes are some of the ways Adullam has connected and built rapport with its neighbors.

Networking

By providing a location for various ministries and non-profit services to house their organizations with minimal cost, Adullam provides networking and operational efficiencies while meeting the spiritual and practical needs of the community. Most of these organizations share the same passion of making a difference in the Milwaukee community.

Prayer and Worship

All activities and events are created with the intention of pointing every person to God, who is ultimately the best safe place for all who will receive Him. Opportunities for prayer and worship are freely offered to all. Adullam regularly hosts prayer meetings.
