We have a newly remodeled program center with 4 indoor tennis courts (which also offers Pickleball) featuring tennis leagues and lessons for all ages. There are full locker rooms, ping pong, a variety of cardio pieces (treadmills and elliptical pieces) and exciting programs for fall. The Fall program guide will be available in the next 2 weeks.

Special Oshkosh Y only member benefits include:

- A Tennis Center Membership for all members on your active Oshkosh Y membership
- Free Use of Ball Machine
- Y Member Rates on Lessons, programming, leagues, and court rates
- Reduced Junior Court Rates for all Junior Members

The Y Tennis Center is a unique program space. All youth under age 14, must be accompanied by an adult or be enrolled in a program. Your Y membership card will be used to scan into the Tennis Center and those visits will be logged for any insurance reimbursements our members may have.

Please join us on Sunday October 14th from 2-5pm for a celebration and open house. If you have never ventured over to the Tennis Center before, staff will be available for tours and to answer questions about all the opportunities this new benefit has for you. Meet our Tennis Center Director Sheila Counts and our Tennis Pro Aaron Kolz along with other Y staff from the Oshkosh Y tennis center.

With a focus on developing the potential of youth, improving individual health and well-being, and giving back to and supporting communities, your participation at the Y will bring about meaningful change not just within yourself, but in your community, too.

Sincerely,

Julie Smith
