A promotional graphic for 'life groups' with a light green background and a blue border. The text 'life groups' is in large, colorful letters (pink for 'life', teal for 'groups'). Above 'groups' is the text 'spring/summer' in a smaller, grey font. Below 'life groups' is the phrase 'join one and start growing today' in a grey font. In the center is a vibrant, abstract illustration of flowers and leaves in various colors like yellow, orange, pink, and teal. To the left of the illustration are two bullet points with teal arrowheads. To the right are three checkmarks with pink text. At the bottom right, there is a faint, grey text 'coming this winter at MCOG'.
