Youth Fun Outing: Medieval Times—Saturday, March 23rd

Medieval Times Trip was so much fun!

Background information for Medieval Times: About a year ago we, as a youth group, decided to go to Medieval Times for a lock-in. It was so awesome and fun that this year we decided to go back! We had a blast and the kids (and adults) loved every minute of it!

CYF and Chi Rho Lock-In

Friday, April 26th
7:00pm

Sunday School

CYF/Chi Rho - Christian Action: Social Issues

We are continuing our discussion and lectures over social issues and how Christians should approach them. We are beginning our study of racial issues as it pertains to the Bible, theology, church, and society. We will be delving into the Bible to see how race played a factor, how we can combat racial division in church and in society, and what we can do to help better race relations.

Verse: Romans 10:12 (NRSV)

"For there is no distinction between Jew and Greek; the same Lord is Lord of all and is generous to all who call on him."

JYF

In JYF, we are learning about Bible stories and biblical basics. It is very important for children (and adults) of any age to learn biblical basics. When we get to learn about the Bible at a young age, we open ourselves up to a whole new world of discovery about our creator and our savior Jesus Christ. And what better way to teach about the bible than through stories. Stories are a fun, exciting, and thoughtful way of spreading wisdom to others. In this class, JYF will learn stories from the Bible and gain wisdom.

Evening Youth 5-7PM Sundays

CYF/Chi Rho - Divine Creativity: Participating with God in Creation

We will be learning about God in the first way God presents God's self: as Creator. We know that in the beginning God created, but we do not think God ever stopped. God creates new ideas, justice, nature, peace, and God creates through people. How can we participate with God in creating beautiful things like God does? How can we be instruments of God in creating peace, justice, love, life, and other wonderful things? In this lesson series, we'll discuss creation and how we can participate. We will

be having activities such as writing letters to our home group members, planting plants, arts and crafts, watching movies, and doing other creative things.

JYF

In JYF, we are learning biblical basics such as organization of the Bible. We are learning the order of the books of the Bible. Memorizing is always such a hard thing to do for anyone. We think it is very helpful for faith formation to be able to know the order of the books of the Bible. To better help the JYF kids to learn them, we are breaking the books into parts and then eventually working to recite them all at once. Right now we are able to recite Genesis to 2 Kings from memory. Please encourage our JYF kids as they continue to work on memorization.
