## Moment's Reflection

*"And God said to Noah, 'Make yourself an ark . . .'"* -Genesis 6:14

The picture below was taken Monday morning, September 2, during our community's annual Labor Day parade. Through the diligent work of many folk, our church was able to complete the project in time for children in our community to enjoy a good time of play.

Noah is pictured in the photo. We appreciate him (aka, Pat McKannan), coming to preside to over the opening day!

I'm proud of the efforts of so many hardworking members in our church who, through the very hot summer months, tore down the old playground, cleared the ground and carefully built the new Noah's Ark playground. You'll see more photos of that work inside this newsletter.

I'm also proud that our Playground will be dedicated, Sunday, October 20, as a Community Play-area.

As the Bible story tells (Genesis 6-9), Noah's ark was a place of safety and life and community in a very scary time. In the Ark, Noah and his family rode out the great storm of life. We want the Ark to be a similar place of safety, life, and community for all the neighborhood kids who face their own fearsome storms. We want it to stand as a symbol of how God saves those who need God's help. -Dan

**Let's Play!**  
Our new Noah's Ark playground is here and installed. This is a community playground, and it's already a hit with the kiddos. **We will have a dedication ceremony on October 20th, after Children's Sabbath.** Thanks for everyone who donated their time, money, and effort to get this project done!

## New Member Spotlight Fun Facts

### Barbara Meil

#### Where was your childhood home?

I grew up in San Francisco, California. Left at age 18 when I got married.

#### Do you think life is harder now or easier than when you were young?

Life is harder today due to crime and the economy. I would go back to 1940-50 's when I was young and innocent, when kids played outside.

#### What were the happiest times of your childhood?

My summers with my Aunt Nonie. She lived in Seattle, Washington and my times spent with her were wonderful. Left me with precious memories.

#### What was the best job you ever had? The worst?

I really enjoyed the years that I spent working as the Corporate Accounting Executive for the Hyatt Hotel Corporation. I have always enjoyed whatever job I have had over the years.

#### What person has had the biggest impact on your life?

By far it would be my Aunt Nonie. She taught me the importance of living a good, happy life.

#### Who makes you laugh the hardest?

I definitely got my sense of humor from my dad. He taught me the value of finding something to laugh about when times get tough, and to always be able to laugh at myself.

#### What played into your decision to make FCCG your church home?

First thing to attract me was the church building. It reminded me of a little country church. When I visited, everyone was so nice and welcoming, made me feel at home.

## Meet & Greet at City Square Lofts

On Saturday, September 7th, several FCCG members enjoyed a Meet & Greet at City Square Lofts, the newest apartment complex across the street from our church. There was coffee and donuts shared with the apartment residents, as well as an invitation given to visit our services. Everyone enjoyed the fellowship. A special THANK YOU for the Families & Professionals group for their work putting this event together.

## YOUTH AND SPONSORS @ JYF CONNECT THIS WEEKEND!

Three of Junior Age Youth will be attending a service project event this weekend, Friday-Sunday, September 13-15, including **Maddy Olalde, Ann Marie Price and Addison Walker**. Our youth will be sponsored by Rebecca Fetzer and Renee Godwin. They will be joined by other JYF'ers from the surrounding areas.

The event is hosted by Ridglea Christian Church in Fort Worth. The theme of the event is, "Put Your Faith into Action." The youth will choose which area of outreach they wish to learn about, including: Hunger, Homelessness, Children, Bridges (Immigrants and Refugees), or a topic they wish to design in collaboration with Connect Fort Worth Director, Allison Lanza. Through the day, Saturday, they will do hands-on work in their area of interest. As they work, they'll reflect

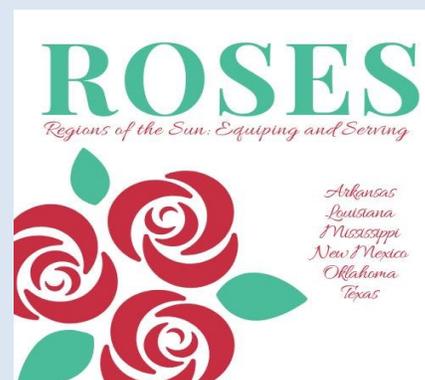

on: "Who is impacted?" "What is going on here?" "So What? (Why does this human need matter to me as a Christian?) and finally, "Now What?" (Knowing what I know, what can I do? What should I do?)

The youth will attend worship and Sunday school at Ridglea Christian Sunday morning before returning home early Sunday afternoon. You may find more about Connect Fort Worth program at: <https://www.facebook.com/Connectfortworth/>
