John 14:6 - **Who Is Jesus?**

No person has had more impact on history than Jesus Christ. It is undeniable that He lived and walked in the lands of Judea and Israel over 2000 years ago. But who is He?

1. He is the visible image of the invisible God. He is God in a person. Do you want to know what God is like? To answer this question look to Jesus. The fullness of God dwells in Him.

2. He is the Creator of all creation. He holds all creation together. Creation is His masterpiece. Creation reveals the greatness of God.

3. He is the Savior who saves us from our sins. Jesus came to reconcile us to God.

4. He is the head of the church. Jesus is to the church what the head is to the human body.

Once you are introduced to who He is, you have a choice—a decision to make. It's the biggest decision ever. To trust Him as your Lord and Savior or to reject Him. The Bible is clear about who Jesus is. But the important question for you is, do you believe it?

Join us this month as we explore God's word and discover the truth about who is Jesus.
