

Sermon Notes

October 31, 2021

Deuteronomy 6:1-9

“LightWorks”

1. Communities of faith must be able to produce light.
2. The church's destiny is not programs or power or music or musings, but light - to be a community of light.
3. Every generation must put up its own mezuzah and commit itself to daily donning the *tefillin* for prayer.
