Dear Friends,

Shalom.

Thank you for your prayers!

Outreach Israel is in full swing. We started May 21st and continue until June 21st. The team is made up of 18 to 28 year olds all excited to be used by God to encourage, serve and share Messiah with the people of Israel. We are working alongside our long term staff in various parts of Israel serving through food distribution and hosting special events.

On Friday nights the team will host *Shabbat* (Sabbath) dinners. We'll invite young Israelis I met on backpacker outreach trips in New Zealand, Argentina and India. Local believers will join us as well. Israelis are always curious about what motivates someone to spend their summer break serving. God's love as the answer leads into interesting questions.

Shmuel* and Uri* are people I've mentioned before. I met them on separate trips to New Zealand. Through our *Shabbat* dinners, they became friends with each other. Each asks every believer in Jesus they meet how or why they believe. They spent quite a bit of time with last year's team and are looking forward to meeting this summer's team saying, "There is just something really special about these people." Yes... it's Jesus in their lives.

Pray for Shmuel and Uri and all the people we will have opportunity to share God's love with in word and/or deed.

Let me know how I can be praying for you.

B'Shalom,

Robin
