

STUDY NO. 3

GOD'S PLAN FOR HEALING OUR BODIES

Introduction

By turning away from God in disobedience, man lost the blessing and protection of God, and came under a curse and the power of the devil. In this way, the devil was able to bring upon man's body many forms of pain and weakness and sickness. However, God in His mercy still desires to bless man, and to save him not only from sin, but also from sickness. For this reason Christ on the cross bore not only our sins, but also our sicknesses. Therefore, by faith in Christ we may now receive physical healing for our bodies, as well as forgiveness and peace for our souls.
