

STUDY NO. 4

GOD'S PLAN FOR HEALING OUR BODIES

(Continued)

Introduction

Healing for our bodies from God comes to us through hearing and believing God's Word, and through allowing God's Spirit to fill our bodies with the resurrection life of Christ. Not only may we receive healing for our own bodies in this way, but we may also offer healing and deliverance to others in the name of Jesus. Two main ways in which we may do this are by laying our hands on the sick and praying for them, or by getting believing church elders to anoint them with oil in the name of the Lord. If we act in faith in this way, God will work with us and confirm the truth of His Word by miracles of healing and deliverance.
