

STUDY NO. 5

THE BIBLE: THE WORD OF GOD

Introduction

The Bible is God's own Word, His great gift to all men everywhere, to help them out of their sin and misery and darkness. The Bible is not an ordinary book, but the men who wrote it were inspired and moved by God's Holy Spirit to write exactly the truth as God gave it to them. Every word is true, filled with God's own power and authority. We should read our Bible as if it was God Himself speaking to us directly and personally. It will impart to us light, understanding, spiritual food and physical health. It will cleanse us, sanctify us, build us up, make us partakers of God's own nature. It will give us power and wisdom to overcome the devil.
