

STUDY NO. 13

SIGNS OF CHRIST'S COMING

Introduction

The Bible tells us of various special things which will be happening in the world at the time just before Christ's second coming, and which will be signs to warn us that He is coming soon. In this study some of the most important signs are stated. They are divided into two groups: A. SIGNS IN THE WORLD OF RELIGION; B. SIGNS IN THE WORLD AT LARGE. Below each group of signs are given the references to the passages of scripture in which those signs are mentioned.

In this study you are required to do the following:-

- (1) Read through the signs in Group A.
- (2) Read through the scriptures of which the references are given below Group A.
- (3) On the dotted line below each sign, write in the reference of the scripture which mentions that sign.
- (4) Repeat the same procedure for Group B.
- (5) At the end of each sign you will see a square "box" (□). When you have done the rest of the study, read through the signs once again, and check each "box" if you feel that that particular sign is being fulfilled in the world as you know it today.

(NOTE: There is one appropriate scripture reference for each sign. However, Matt. 24:9 applies to three different signs, and must be written in after each sign to which it applies.)
