Desert Footprints

A Note from Pastor Kristin

I am pleased and proud to announce to the church that Desert Foothills United Methodist has a new mission statement: **Desert Foothills United Methodist Church exists to build a better life, community, and world through encounters with God.**

The Administrative Council of the church has worked for over a year to research, conference and pray about this new statement. In the August meeting, they agreed that it was time to share our new mission.

The first part of the mission is designed to be personal, cooperative and all encompassing. It reminds us of the Kingdom of God that is born within us, that is in our world, and is yet to come.

The second part of the mission statement is about our call to life in Christ. Before we even knew Christ, we were not alone! The Holy Spirit extends grace to us all so that we can discover a meaningful relationship with God and God's people. And once we join the family of God we start to learn that being a Christian draws us to become disciples who are becoming passionate lovers of God, growing in vibrant relationship to people, and serving in the kingdom of God. You will see the values in our church with the words, "Love, Grow, Serve."

This statement is intended for all of our church from the youngest child to the oldest saint, from the classes and groups to the choirs and band, from the office staff to the people who walk through the door for the first time. I am excited for where this mission will lead us as we are led by the Holy Spirit to make disciples for God by incarnating Christ in our own lives.

Each sermon will be inspired by selections from Broadway and popular music that will be performed during the services. Join us as we celebrate the amazing creativity and gifts of the people of Desert Foothills!

Hospitality

ChuckKnowsChurch.com

If you have not discovered ChuckKnowsChurch.com, you may find it or his Facebook page to be quite entertaining. His short video "Chuck Knows Church: The Committee" is a light-hearted, yet informative reminder that hospitality is not something a committee does. It's a lifestyle. Chuck says, "The Hilton should have nothing on the church when it comes to hospitality!"

He goes on to say that we are all caretakers of our church. Sound familiar?

"I am the church! You are the church!
We are the church together!"*

Just as the lyrics suggest, it takes ALL members and attenders together to be the Church. We all have a role in making guests feel welcome and in demonstrating Christ's hospitality to all. "All who follow Jesus, all around the world! Yes, we're the church together!"*

Stephen Ministry

A Taste of Stephen Ministry

Have you ever wondered what Stephen Ministry is all about? Have you thought you would like to be a Stephen Minister? Sunday, October 16 we celebrate Stephen Ministry during both worship services. Following the second service you will have an opportunity to learn more about Stephen Ministry and how to become a Stephen Minister at an informational lunch, A Taste of Stephen Ministry.

Stephen Leader Dave Gould says being a Stephen Minister, "Is both wonderful and amazing all at the same time. The wonderfulness comes from being able to use the individual gifts God has given to each of us for the highest and best privilege of helping others in His name. The amazing part is seeing the help we are able to bring others through the grace of God. He truly is the cure giver, while we are merely the caregivers."

He states a benefit of being a Stephen Minister is "Our closeness to one another through shared goals of serving God; and the inner satisfaction that comes helping others through Christ. Do you feel God's desire for you to help others? Won't you join us in this mission...to share God's love and grace with others in His name?"

Training of new Stephen Ministers is scheduled to begin in January, 2017. For more information talk with Rev. Kristen or any DFUMC Stephen Minister: Larry Anderson, Deb Browning, Paul Browning, Karen Colbourn, Deb Dusseau, Dave Gould, John Hall, Bev Jones, Maureen Kartchner, Sallie King and Betty Knoche. stephenministry@desertfoothills.org.

Desert Southwest Annual Conference

Reflections on 2016 Annual Desert Southwest Conference - Infuse

I had the privilege along with Suzanne Rudolph to attend the 2016 Annual Conference representing Desert Foothills UMC. The theme of the gathering was INFUSE continuing on from Inspire and Ignite in previous years. The scripture theme was John 15:5 "I am the vine and you are the branches."

Gatherings are always a mixed blessing for me -- I am enough of an introvert that the number of people can become overwhelming. But, there are so many opportunities to grow through the messages from the Bishop and others during the 4 days of meetings.

On day 1 Bishop Bob started infusing oil with peppers in jars. This was an object lesson in how time adds to the infusion. The jars were given to the District Superintendents at the end of the meeting as a reminder to infuse their clergy and laity throughout the coming year. A second lesson about infusion used an illustration with teabags; Passion, Awake and Calm were the characteristics in our own lives on which the discussion focused.

Holy Huddles provided an opportunity for us to discuss around our tables with others the ideas being presented. It gave an opportunity for us to learn from those in other parts of the conference, serving different communities and facing similar yet different challenges. We learned about ways pastors and faith families were making a difference in their communities.

As you probably know, there are continuing tensions in the United Methodist Church around questions of loving and ministering to ALL. I would invite you to read the resources provided on the conference website with the body of the resolution passed.

<http://www.desertsouthwestconference.org/resolution-for-full-inclusivity>. I do not expect that our congregation would not have the same concerns expressed in the debate that day. The controversy has grown with the election of Bishop Karen Olivetto by the Western Jurisdiction. May God grace us with kindness in speaking with one another in this area of controversy.

This is a challenging time for all of us as we listen for the Spirit to infuse our work in the world. Many of us will have concerns. I am confident that God's Spirit will be available as we learn to open our hearts to one another and to the Creator who gives us life. My personal prayer is that I might increase in my ability to love and dwell in holy living with my Lord and Savior.

DESERT FOOTHILLS YOUTH

Thank You to Jill Sears!

On Sunday, August 21, DFUMC youth said farewell to Jill Sears as their beloved youth leader. Jill is working at a new job leading up the Y-OPAs just down the street at the Ahwatukee YMCA. She still plans on actively participating in church life through her leadership role on the Witness Committee and as an active parent of 2 youth!

Jill's passion with [DFY] has included 4 core goals of incorporating Worship, Education, Service and Fun into the youth group experience. These have been accomplished through the youth actively participating in leadership roles on 5th Sundays, leading worship during Easter Sunrise Service, participating in Sunday school, 30 Hour Famine, Amazing Race, youth retreats, Confirmation, rock wall climbing outings, pool parties, youth volleyball and so very much more! Our youth group is a vital part of DFUMC, and the energy and love Jill poured into our youth is much appreciated by all of DFUMC!

THANK YOU, Jill!

[DFY] this Fall!

Desert Foothills Youth have some fun things planned for this Fall! While our Staff Parish Relations Committee actively seeks a new youth leader, Pastor Kristin and youth parents are planning Youth Nites on Sunday evenings, special outings and Love Feasts! Parents and youth are encouraged to pay attention to the youth calendar on the Youth page of our website www.desertfoothills.org and to the announcements for current happenings!

4th Annual Thanksgiving Dinner for Foster Youth in Group Care

This November 21st at 6pm will be DFUMC's Fourth Annual Thanksgiving Dinner for Foster Youth in Group Care. It is a fun night with great food for children in Foster Care, during what can be a very sad week for these youth who are missing their families. This is a safe, non-advertised event, staffed by DFUMC volunteers and our sister church Mesa First UMC, other denominations, and groups like Kiwanis, and served by the Mesa Police Department. Last year the Mesa Assistant Police Chief spoke to the group of over 200 children about her own experiences as a child in foster care. As usual, the highlight will be Big Red and alumni players from Arizona Cardinals! This year we expect to serve 300 children. Please watch for details regarding how you can help and sign up in the narthex to volunteer, donate funds for turkeys, or make pies in October.

Desert Foothills Supports Family Promise

We were delighted to host three families for the week of July 3-10. The families experiencing homelessness found friendship, comfort, safety, and acceptance at Desert Foothills. Through the work of many volunteers, we provided them with nourishing meals and snacks, clean bedding and rooms to sleep, and a willingness to lend an ear and heart when needed. As always, the volunteers are ones who feel the blessing of being able to serve in this ministry.

It takes many hands to prepare for the week of Family Promise along with many volunteers to take care of the families during and after their stay. It was wonderful to have a few new volunteers, and we hope you will be able to participate in the future. The Witness Committee is thankful for all your time and energy for this incredible ministry that we choose to be involved in twice a year.

Our Family Promise hosting is finished for the remainder of 2016. However, we expect to have a hosting week in the beginning months of 2017. We will be letting you know of our 2017 hosting weeks soon.

Latest News From Fuente de Vida

Below you will find a letter shared from Peggy Thornhill containing the latest news from Fuente de Vida, our sister church in Agua Prieta, Mexico.

Fuente de Vida News, May- Aug. 2016

Dear friends and partners in God's work in Agua Prieta, This last 3 months have been filled with blessings. One of the first things I want to say is the biggest THANK YOU ever to all who helped in getting my van replaced. Special thanks go to Vista de la Montaña, St Marks, and Catalina UMC's in Tucson, Desert Foothills UMC in Phoenix, and Faithworks Missions in Flagstaff, and several individual donors who wish not to be named.

On the last day of April we celebrated Mexico's annual Children's day with a jumping castle, games and prizes, face painting, and food. Games, prizes, and food were provided by Desert Foothills UMC and gift bags for each child from St. Marks. Thank you both so very much.

On Mother's day, the ladies of Fuente de Vida shared in a very good dinner. The meal was prepared and served by men of the church who had a fun time cooking together. The ladies also received gift boxes which were filled with personal and helpful items and sent to us by Desert Foothills UMC in Phoenix.

We are still having our church doors open for prayer at 5 AM every day of the first week of each month with from 15-24 members joining in prayer and praise.

We had the medical group from Faithworks with us again on May 20th and 21st to bless us with free Dr. visits for all who come to our clinic door. Serving our people this time were 2 doctors, Dr. Austin and Dr. Mat Wise, and our dentist Dr. Ada Orozco. We also had a volunteer local physical therapist Francisco working along with us and Irma Cazares, Director of DIF (Desarollo Integral de la Familia- family medical services) helping in the pharmacy. Care was given to 255 patients in these 2, nine hour, days.

Then in June, our Faithworks partners from Flagstaff brought down and delivered to DIF, via Irma Cazares, a very special wheelchair for a young child who has never been able to walk.

Over these past few years The Lord has blessed us with good relationship with both DIF and the City Hospital here in Agua Prieta. As a result of this I (Gela) have been asked by the Sonora State Advisor to City Hospital to join their newly established steering committee. The committee is working on obtaining medical school interns in order to increase their patient care capacity. In order to have a place for the interns to stay, a vacant house on hospital property is being prepared and we will be helping to find furniture-especially twin beds for this.

In celebration of Father's Day we had a party for the Dads and families in the patio next to my house with a seafood buffet. Our families brought big trays of mixed seafood from a favorite restaurant here. Each father also received a gift bag full of special men's things. The gifts were provided by St Marks UMC in Tucson and are so greatly appreciated. The end of June and beginning of July were very busy with school ending and other activities. In my own house, my daughter, Nahara, graduated from Jr. High School on June 29th and on July 1 My son, Diego, graduated from High school.

On July 2nd 3rd and 4th, the district Methodist Women's Division meeting at was hosted at Fuente de Vida with our Bishop and District Superintendent attending. The women of Fuente de Vida hosted the delegates who attended from other towns.

The next 4 days Armando, pastor Kiko, Nahara and I attended Annual Conference in Tijuana.

Vacation Bible school was held from August 8th to 14th with 109 students. This time we have also participating with us an education team from Agua Prieta Police Dept. Who are teaching the kids about what to do if you are being abused and what child abuse actually is. A group of church members were praying for the team. When the course was finished each child was given a Bible also. About a week later I found an article in a local newspaper about the program and the fact that it was held at Fuente de Vida.

We never know what God is going to do next-- the next week one member of the teaching team came to church with his 2 sons and the boys both gave their hearts to Jesus Christ.

In the past year or so we have received many books for adults and children in Spanish and we are planning to make a Library of the small room at the west end of the mobile building that was our original sanctuary. To enable people to sit and enjoy reading, we are planning to have some comfortable chairs in the area next to the book room. We have been blessed with the funds to replace the cooler in this mobile building since we use it so much for classes and meetings. We thank St Marks UMC in Tucson for making this possible.

Speaking of books and things, we have received a large shipment of school supplies and backpacks from our friends and coworkers of Vista de la Montana UMC in Tucson for the children of Fuente de Vida. Several of our students in college have also received funds from Vista de la Montana's scholarship program. This has been a blessing to so many of our High school graduates.

Just before school started the ladies of the church prepared 150 fully stocked book bags for all students in the church. (Kindergarten thru college)

One bigger thing we need to tell you. Armando, Paloma-our praise song leader went to South Korea for "United Prayer Rising", an international call for youth intercessors. This event was realized in The First Methodist Church and partially sponsored by this church. The meeting was focus on pray for the emerging generation and for the unification of both Koreas. Actually there was a pray day in the demilitarized zone in the border with North Korea.

There is so much more to tell and so many blessings to share. We would love to have you come and see us and share in the Lord's work.

Blessings. Pastora Gela Villicana
and the people of Fuente de Vida
