December 2015

Dear Friends and Partners,

Greetings from Seoul, South Korea, our last mission trip of 2015! We finished the year very excited over what we have experienced throughout the whole year. Blessing after blessing is overflowing my soul with the joy of the Lord. What an extraordinary year that was filled with the outpouring of Gods great grace and mercy from Africa to the Philippines and now to South Korea. The list goes on and on from the revivals and weekend meetings, protégé and mentorship meetings, many bible study times and prayer meetings and, of course, Papa's House's first Women's Conference held in October.

Great has been our God and His display of His great power of love and mercy! This year many souls have been brought into the Kingdom, many were healed and many miracles were performed, all by the hand of God. I have witnessed the transformation of young men whose hearts have been set to seek the Lord. In Houston I watched a church become super charged with the power of God. I watched as one of my students moved forward to be ordained in my advanced mentorship class. I had the joy of preparing 2 protégés to go out on a preaching assignment and the euphoria of raising up the next generation! But there is one picture in my mind that stands out above everything: in Africa, where I saw many coming to Christ, a 74 year old man gave his heart to Jesus during an outdoor crusade held in an area that had never heard the Gospel before!

*A wounded world is awaiting our anointed entry
into its darkness. WE ... are needed now.*

What can I say about our 1st women's conference; "Who's Your Daddy"? Many hours of hard work by a dedicated team, many hours of prayer went into laying a foundation for the outpouring of the Holy Spirit. Each speaker was handpicked by the Holy Spirit, each one brought a timely message, and the Glory of God fell upon each attendee. I watched as the women cried out with great hunger for God, and our Father God did not disappoint them.

The 2015 APYAC Youth Conference in the Philippines was so powerful that I cannot find adequate words to describe what we all saw, felt and experienced. I heard a cry so deep and profound from the 1,500 plus youth, gathered from 22 nations, that this cry has moved me beyond words. God, our Father, truly is turning the hearts of this youth generation back to him. Wave after wave of glory flooded over our souls, for three days and nights we all basked in the presence of God. Truly God is at work, powerfully, in Asia.

The cry for the Nations resonates in my soul stronger than ever before. The need to go is stronger than ever. My prayer is: Father, give me the years and strength to finish my course, not just to finish, but to finish strong.

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

I am grateful to all who have stood with Papa's House in prayer and financial support. I'm eternally grateful for all the ministry teams, for your support and willingness to sacrifice your time to go with us. To my family, my wife and children and ministry staff: thank you for standing beside me and with me. To all the churches, individuals, friends and colleagues alike, with a very grateful heart and my deepest appreciation, I say thank you to all.

The word for Papa's House for 2016 is Isaiah 6:8:

Also I heard the voice of the Lord, saying, whom shall I send, and who will go for us? Then said I, Here am I; send me.

A wounded world is waiting for our anointed entry. Let us lift up our eyes upon the harvest fields; they are ready for the harvesters. Pray for us as we move forward into this very exciting year of 2016!
