

Papa's House International Newsletter

May 2016

Dear Friends and Partners,

There is such a great excitement in my spirit; it's hard to contain myself. These are exciting times for Papa's House. In spite of all that is happening in our world today, the Lord is at work among his people.

During Papa's House's travels to the Philippines, we met Pastor Gloria Beronio. Pastor Gloria is the Senior Pastor of Lanao Gospel to the Nations Ministry outside of Lanao del Norte, in the Mindanao Province of the southern Philippines. Her ministry includes 12 churches in the surrounding province, a discipleship/feeding program for over 60 children, Prayer Mountain and Retreat and a future orphanage.

Last year we began to raise funds for a brand new project with Pastor Gloria: "The Beulah Land Project". After much prayer, benefit dinners, and with the help of many friends and churches, the funds were raised to purchase 18.5 acres of land outside of Lanao. The land is being used to raise livestock (fish, goats, cows & chickens) and farming crops (rice, bananas, ginger, dragon fruit, corn, coconut, and a variety of fruit trees). The land will also be a launching point to spread the gospel in an area that has never heard the Good News of Jesus Christ!

The food and income produced from the sales of livestock and crops will feed the orphanage and supply the discipleship/feeding program. Future plans are to use the income from the land to complete the construction of the orphanage and a ministry center.

Already the land has produced a cash crop of coconuts. Portions of the land have been cleared, various types of seed have been purchased, and the vision is expanding and growing. The Father is blessing His people. Soon the corn will be growing tall, the fruit trees will be producing and the rice fields will be ready for harvest. A water buffalo has been purchased as well as several nanny goats. The people are so excited to have the Lord bless so wonderfully!

I share a short testimony:

*A wounded world is awaiting our anointed entry
into its darkness. WE ... are needed now.*

"We are so blessed because of GOD's goodness...we are so blessed because you took the responsibility to share what you got to help us...we are blessed because you are there to support us in this endeavor. We believe that this will yield a great harvest in all of your lives...upon your people and your family... and on our part the responsibility to win souls and disciple them...our hearts beat, with the blessing comes the responsibility to be faithful being stewards of the awesome blessings of God!" Pastor Gloria

There are other needs that are pressing; a water well needs to be drilled, the ministry center and the orphanage will need to be completed. I am asking the Lord to provide everything necessary to make this possible. I want to thank all of PHI friends and partners who have made this vision come to pass. Your prayers and financial support have made all this possible.

Just a few days ago we travelled to Bakersfield, California to begin revival services at Jesus Cares Multi Culture Ministry AOG Church.

May 7th - Papa's Testimony: *Tonight the heavens opened up over Assembly at Crawford Church in Bakersfield, CA. The flood tide of the Holy Ghost swept the house: many were baptized in the Holy Spirit. I cannot find the right words to describe the scene of what our Father did tonight; I do know that this church will never be the same. Papa's House ministry team labored in prayer before we came and the Father answered us by saving souls and filling souls with His Holy Spirit. I give God all the glory!*

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

Ivan Paligutan shared: *Blessed to have the Papa's House Ministry from San Diego visit us these past three days. God used them mightily for the building of His kingdom. Get ready, Bakersfield. Our revival has only begun!*

Pastor Jae Yong Jeong from Korea wrote: *The same happened in Korea last year. Our members here in Korea really miss Papa Pete to come to visit in this year and another opportunity to have him again. The work of God is always great that make people restore, give salvation and follow the will of Him. The Holy Spirit will be on your ministries and bring blessings on the ways...*

With San Diego and Bakersfield behind us, we now set our faces towards Malaysia and Singapore. Our hearts are set on fire with burdens for these great countries. I ask all my friends to join Papa's House in prayer and fasting, if you like, as we strive moving forward in prayer seeking the mind of the Father. I am asking for a great out pouring of His mercy and grace, to rock these two nations for His glory. Our trip begins May 30th til June 13th, pray for us!

Papa's House has other events scheduled for the rest of this year. Put them on your calendar and make time to join us.

Don't stop dreaming of what your life can yet be... without the fishtailing, without the excess, but with all the fruitfulness. You may never become all that you dream of, but you'll never achieve anything that you don't dream of. I dream of one day having preached in all the countries of the world, yes it's a big dream; I am 66 years old, in the prime of my life. God has given unto me Sons and Daughter's to make and complete my journey!

Donations can be given through our website. Thank you!
