

Papa's House International Newsletter

September 2016

Dear Friends and Partners,

What an exciting year it has been so far for Papa's House. We have seen the hand of God at work in the revivals, weekend meetings, bible studies, mission trips and protégée meetings. God's power was displayed as we saw souls coming to Christ, many healings and miracles take place and believers baptized in the Holy Ghost. Truly the word that the Lord gave Papa's House at the beginning of the year is being fulfilled. Jeremiah 33:2-3 *"This is God's Message, the God who made earth, made it livable and lasting, known everywhere as God: Call to me and I will answer you. I'll tell you marvelous and wondrous things that you could never figure out on your own."*

The revival in Bakersfield California was very powerful; the mission's trip to Malaysia and Singapore lifted our souls to greater expectations and gave us an expectation that the Lord was taking us deeper in our walk with Him.

Just a few weeks ago Papa's House returned from a very powerful mission's trip to South Korea and Mindanao, southern Philippines. The Believers Authority Conference in Mindanao was a great success, with many being baptized in the Holy Spirit and many being healed by the power of God.

While in Mindanao we were able to bless the Beulah Land Project. Papa's House purchased 13 hectares of land through the donations and efforts of many churches and individuals. It is a very beautiful piece of property, truly a wonder of God's beauty. The land was dedicated with a vision to grow the new church plant and to expand beyond its borders. Just outside the door of

*A wounded world is awaiting our anointed entry
into its darkness. WE ... are needed now.*

the new church plant a stone pillar was erected as a witness of the grace of God. The first stone laid was the stone I brought from East Texas, a stone that represents all the churches and partners who have stood with us to make this Beulah land project a great success.

Also, in the midst of the great blessings of the Lord I was able to meet "JD" (short for John Deere) the name for the water buffalo that was purchased for working the land. You made this happen!

I give all the glory to God for all that He has done: for His great provisions, for His awesome promises, for His wonderful people that have stood with Papa's House. You share with us the great vision to carry God's Love, Power and Grace into the entire world. I have been greatly blessed to have dedicated ministry teams: who give themselves and make sacrifices to go forth unto the uttermost parts of the world. I realize that no one can accomplish God's work all by themselves; it takes prayer, fasting, walking in faith, encouragement, love for the lost, and a burden that must be carried by many.

I look back, reflecting on all that the Lord has done and I am in awe. I can't find adequate words to fully describe what my eyes have seen of the Glory of God. Perhaps it is best described in the face of the little children who receive our hugs, the parents whose hands are callused from hard work and the fathers whose tears run down their cheeks while praying for their families. Perhaps it is in the testimonies of those who were miraculously healed, of those whose lives were changed when they accepted Jesus for the first time or those pastors and churches where the Father poured out His grace in the Power of The Holy Spirit.

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

My soul is overrunning with joy and excitement knowing that the Lord is leading Papa's House into new fields of harvest and challenging us to ever move forward.

Yes I give God all the Glory and give Him all the praise for fulfilling His Word to us!
