

Papa's House International Newsletter

December 2017

Dear Friends and Partners,

What a year we have had! It is a wonder to see how God has blessed us, watched over us, kept us and brought us along!

Let us reflect back on what we have gone through: Tornadoes in Canton Texas - the scars and the wounds are still there but, as a community, this portion of East Texas has moved forward. God has brought us through the storms physically and mentally. The testimonies of the grace of God are overwhelming!

Hurricane Harvey affected the whole state of Texas - the floods, the loss of property, the loss of life and yet we pulled together as a community, as a state and as a country. America

watched as the outpouring of support came from all over and at one time all the eyes of the world were on Houston Texas. The shootings in Sutherland, Texas rocked all of our communities, yet through it all we saw the hand of God at work and heard the awesome and powerful testimonies of God's goodness and mercy.

We stand in awe as individuals, as a community, as a nation and we can say that God has never forsaken us! I am grateful for the Love of God, for the Grace of God, for the Mercy of God. In spite of everything that is going on God's plan for ministry is moving forward. God's plan for Papa's House has never changed. The directive for us is to still – GO into the entire world, cast our nets on the right side, preach the unsearchable riches of Christ, and bring the message of Christ and Christ's love to a lost and hurting world.

*A wounded world is awaiting our anointed entry into its darkness.
WE ... are needed now.*

I'm grateful for all of our friends and partners in Papa's House who stand with us and who share our burdens and concerns for the work that we are involved in. The Beulah Land Project in Mindanao, Philippines continues to defy our expectations! There is much to say about how a under used piece of property has been transformed into a land producing food for the orphans and impoverished children's feeding program, cash crops to support the outreach ministry, jobs for the unemployed and bringing the gospel to this area that has never heard the gospel before.

I want to thank the East Texas Community, the churches of East Texas, New Harvest Christian Fellowship in Pearland, Texas, our friends from California and our partners around the world who have stood with Papa's House. Through financial and prayer support you have helped bring to pass the vision of Beulah Land. We rejoice in the fact that in spite of all that has happened in Texas, in our nation and around the world, God's plans and provision are still moving forward.

We are excited to look back and see all that has taken place in Beulah Land but we are equally excited as we look to next year and a greater outpouring of God's grace as He continues to unfold His plans and purposes. But let us not forget the testimonies of the Women's conference in April, how God moved among the women, healing and setting them free. Julie Khoo and Rachel Ward brought a Word from the Father and then the Father blessed us with a Tea Party fit for a Queen!

Papa's House stood with the Canton Tornado victims, providing water, food and supplies to those in need that day. We helped several families rebuild their homes and lives after the storm.

Papa's House stood with families affected by Hurricane Harvey providing water, food, supplies and financial aid to help them rebuild after the storm.

...

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

None of this would have been possible with YOU! I am grateful for all of your support and prayers!

Merry Christmas and blessings for a prosperous New Year!
