

Papa's House International Newsletter

January 2020

Dear Friends and Partners,

What an awesome, mighty God we serve! It is a wonder to see how God has blessed us, watched over us, kept us and continues to bring us along!

Let us reflect back on what we have gone through: God has brought us through 2019 with joy, strength and peace. Whatever trials we went through, God has provided, rescued and delivered us. The testimonies of the grace of God are overwhelming!

We stand in awe as individuals, as a community, as a nation and we can say that God has never forsaken us! I am grateful for the Love of God, for the Grace of God, for the Mercy of

God. In spite of everything that is going on God's plan for ministry is moving forward. God's plan for Papa's House has never changed. The directive for us is to still – **GO** into the entire world, cast our nets on the right side, preach the unsearchable riches of Christ, and bring the message of Christ and Christ's love to a lost and hurting world.

I'm grateful for all of our friends and partners in PHI who stand with us and who share our burdens and concerns for the work that we are involved in. The Beulah Land Project in Mindanao, Philippines continues to defy our expectations! There is much to say about how a under used piece of property has been transformed into a land producing food for the orphans and impoverished children's feeding program, cash crops to support the outreach ministry, jobs for the unemployed and bringing the gospel to this area that has never heard the gospel before.

*A wounded world is awaiting our anointed entry into its darkness.
WE ... are needed now.*

Beginning in January 2018, PHI has been supporting Pastor Gloria Beronio in Mindanao, Philippines and Project PSB Kids. Pastor Gloria, along with several local area pastors and churches, have been feeding orphans and very poor children before school each day to give them the same advantage at learning as every other child has. The children are fed each day before school, given clothes, shoes and school supplies and taught to worship the Lord. The feeding program is providing meals, school supplies and the good news to over 100 children every day.

I want to thank the East Texas Community, the churches of East Texas, New Harvest Christian Fellowship in Pearland, Texas, our friends from California and our partners around the world who have stood with PHI. Through financial and prayer support you have helped bring to pass the vision of Beulah Land and Project PSB Kids. We rejoice in the fact that in spite of all that has happened in our states, in our nation and around the world, God's plans and provision are still moving forward.

We are excited to look back and see all that has taken place but we are equally excited as we look to this year and a greater outpouring of God's grace as He continues to unfold His plans and purposes.

Our first mission's trip of the year is February 2-15, 2020. We will be traveling to Mindanao, Philippines for a 4 day conference/crusade to minister to the local pastors and their churches. The theme of the conference is "Equipping the Saints". We will then travel north to San Fabian, Pagasinan to hold a 3 day conference in the local churches there.

Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.

Pray for the traveling team, the pastors and churches, the people attending the conference, the WORD and the anointing of God to flow. May God pour out His Spirit, His blessings and His power upon all. Let souls be saved, people be healed, set free and delivered from all bondages!

None of this would have been possible without YOU! I am grateful for all of your support and prayers!
