

# Papa's House International Newsletter

## May 2021

*Dear Friends and Partners,*

We are writing this letter to bring you up to speed on all the exciting things that are happening in Papa's House.

Papa's House is still alive, well, and strong and we are moving forward. We have not let this pandemic slow us down. God has continued to move, and we are following Him.

Papa's House is still very involved in many areas. We have found many new ways to reach out and share God's vision for Papa's House even though the pandemic has slowed us down somewhat. We have been blessed though out the years to have established relationships with many pastors and churches around the world of whom we are still in contact with today. Through Zoom meetings, through personal evangelism and through online videos we are still raising up sons and daughters, encouraging pastors around the world and working with the local churches in the ways of the Lord.

Our last missions trip, in February 2020, right before covid shut down the airports, was in Mindanao, Philippines and San Fabian, northern Philippines. We held several Pastor Leadership conferences. We experienced the presence of God and the Holy Spirit flowing in our midst. Many people were saved, set free and filled with the Holy Spirit. We met with over 100 pastors who took the training and gifts they received back to their local churches throughout the whole region.

### **CURRENT/CONTINUING PROJECTS**

We have continued our involvement in Mindanao, Philippines through our Beulah Land Project. The land is currently producing corn, rice, coconuts, dragon fruit, bananas and coffee. The proceeds are funding PSBF Children Learning Center which is a children's feeding and clothing program in several cities through the region. It also provides school supplies and teaches the children about Jesus. Well over 100 kids are being helped by this program. Last year Papa's House put in a water well for irrigation to continue to grow the crops through the current drought.

*A wounded world is awaiting our anointed entry into its darkness.  
WE ... are needed now.*

### **NEW PROJECTS**

#### **MALAWI PIG PROJECT**

We are currently involved in Central Malawi with a pig project in a little community called Zomba with Pastor Chris Labana. Having known Pastor Chris for a number of years and keeping in contact with him through emails he told us of the dire situation where people are literally starving to death. Pastor Chris oversees 5 churches with over 1,000 people. We realized that we could best help them by teaching them to be fisherman instead giving them fish dinners. We have invested \$3,600 in a pig program which includes buying 10 bred sows, feed and building materials and gave them to 5 of the local pastors to raise. When the sows give birth, one piglet will be raised to maturity, bred and then given back to the church so another family in the church can then be blessed with an income and food. The other piglets are raised to maturity and then used for food or sold for income. As the pigs multiply the families helped multiply!

#### **CANTU MISSION PROJECT**

We are currently involved in a mission project for a couple who are taking care of their handicapped son. We are rebuilding their house in Fresno, Texas that fell apart during the Texas freeze. What started as a simple request to insulate pipes under the house and put skirting around the house turned into a full scale rebuilding. We soon realized that there was more that

*Today, the heart cry for revival is greater than ever in the nations of the world. The heartbeat of God is ever stronger, the vision is ever sharper, and the challenge to go is ever greater. We are moved by God's heartbeat of compassion and love. We go with the very heart of God the Father to preach the life changing Gospel unto all the ends of the Earth. We hear the heart cry of the people, and to them we bring the Gospel of the Power of the Word of God.*

needed to be done other than insulating pipes. The house was literally falling to the ground. Through the repairs we realized that we needed new plumbing, new electrical and light fixtures, new bathrooms, cabinets, floors, handicapped porch entries and doors, etc. The house will be completed in the next 2 weeks and the family will be able to move back into their home. After supporting families in the aftermath of the tornadoes in East Texas, Hurricane Harvey and the Texas Freeze in Houston, as well as feeding families through Mercy Chefs and helping rebuild after disasters all over the world, we knew we could help this family in need also.

### TEACHING SERIES

Every Thursday night we have a zoom meeting with the ministry team which includes pastors from the Philippines, California, Wyoming and all over Texas, and soon Malawi and Nepal. Our current teaching series is on End Time/ Revelation. Earlier this year we conducted a teaching series on The Message of the Cross and The Message of the Resurrection. Future teaching series are The Ministry of the Holy Spirit, The Ministry of Healing, and Evangelism. Our goal is to make these video teaching series available through our website. Keep an eye out for the video links coming soon!

### OTHER NEWS

We were prevented from traveling overseas this past year, but through the internet and Zoom meetings, resources that God has provided, we are continuing to raise up sons and daughters and train pastors and their churches. We have actually been able to reach more people through this resource than in person! God is good!

**YOU MAKE THIS POSSIBLE!** We are continuing with our vision to go into all the world. As soon as travel opens up we will be on the road. In the meantime, God has given us the resources to not stop ministering!

I'm grateful for all of our friends and partners in PHI who stand with us, and who share our burdens and concerns for the work that we are involved in. I am grateful for all of your support and prayers!

I want to thank the East Texas Community, the churches of East Texas, New Harvest Christian Fellowship in Pearland, Texas, our friends from California and our partners around the world who have stood with PHI. Through financial and prayer support you have helped bring to pass the vision that God has given us. We rejoice in the fact that in spite of all that has happened in our states, in our nation and around the world, God's plans and provision are still moving forward.

*Check our website for more updates on the progress of our projects, pictures and testimonies!*

*Papa Pete*

**SUPPORT US! PRAY FOR US!**

*You can now set up recurring giving through our website by credit card or bank account!!*

### MALAWI PIG PROJECT

*Donations can be given through our website. Thank you!*
